

CHEERLEADING SAFETY GUIDELINES

This school strives to protect each student from possible injury while engaging in school activities. The guidelines and/or practices identified below have been established for this activity in order to protect the student and others from injury and/or illness. Participants and their parents should recognize that conditioning, nutrition, proper techniques, safety procedures, and well-fitting equipment are important aspects of this training program. Each participant is expected to follow the directions/standards of the coach.

Most cheerleading practice areas are constructed with extremely hard surfaces. Athletes who fall during participation risk potentially dangerous injury - especially to knees, elbows or head. Injury may include damage to joints, broken bones, or serious head and eye injury.

Travel to and from off-campus facilities shall be in accordance with the directions of the activity coach.

Guidelines are as follows:

1. Make certain that you wear all equipment that is issued by the coach. Advise the coach of any poorly-fitted or defective equipment.
2. Advise the coach if you are ill or have any prolonged symptoms of illness.
3. Advise the coach if you have been injured.
4. Engage in warm-up activities prior to strenuous participation.
5. Be alert for any physical hazards in the locker room or in or around the participation area. Advise coach of any hazard.
6. Practice stunt prior to the event that you will perform in. Stunts can be dangerous if not spotted correctly.
7. Lead cheers at the appropriate time so you will be aware of ball and players' positioning to prevent possible injury.
8. Be aware of supervisory staff of both teams and where they can be located so they may be contacted in case of an emergency or an undesirable crowd control situation.

The above information has been explained to me and I understand the list of rules and procedures. I also understand the necessity of using the proper techniques while participating in the cheerleader program.

We agree that neither the school district, nor the staff of the school district, nor the student organization of the school district shall in any way be held liable for any accident or injury in any way received on account of or while engaged in any athletic activity sponsored by the district. We further agree that neither the district nor any of their staff or student organizations shall be responsible for the payment of bills rendered for medical services as a result of such accidents or injuries.
