Dear Elementary Families,

Welcome back! This is starting off to be an unusual school year and we are excited to make the most of virtual learning for everyone. You'll find in this letter updates, changes and schedule information.

There's a new face that you might see in the virtual learning world, please welcome our new ELL Coordinator, Arielle Ott. Arielle did her ELL training with Ms. Lisa here and received her ELL endorsement last year, and is a former Lopez graduate. We are excited to have her here supporting our staff and our students!

Another new piece to the start of the school year is the new Qmlativ student information system. This system is an upgrade to the old Skyward system. We continue to learn the system and work out the kinks. Please feel free to reach out to our Office Coordinators and let us know if you have any questions or challenges.

Also, a general elementary schedule has been posted to our webpage and individual grade level schedules will be sent out from your child's teacher. We heard the concerns from families and through our survey last spring. So, the elementary is focusing on the morning learning sessions, with less virtual time. To support families, we've identified office hours for teachers as a resource to families with the intent to help students and parents with the learning.

This continues to be a learning journey for everyone and we want to know what's working and what needs improvement. Please feel free to contact us when you have questions.

In partnership,

Brian Auckland  
Elementary Principal
