WINTER ARTS NIGHT

COMING UP

The Winter Arts Night is scheduled for Wed., December 12th at the L.C.C.A. from 5:30 - 7:00pm. This is a wonderful opportunity to see our stage and music performers, as well as the artists with their creations. We hope to see you there!

A Reminder From Your Bus Drivers

It is important that children are at the bus stop at least 5 minutes before the scheduled pick-up time. If students are absent this will result in buses showing up to stops a little early. Be prepared, be at your stop at least 5 Minutes early!

Thank you, Della, LeAnne, Kenny and Teri

LOOK WHAT IS HAPPENING IN JANUARY

Mr. B and the 5th grade students are taking an overnight trip to the Museum of Flight and will be spending the night in the museum!! What a cool field trip for these students.
