GETTING THINGS DONE!

## Getting Things Done!

Getting Things Done or GTD is an organizational strategy that supports our secondary students. This strategy supports efficient and creative personal productivity. Organizational strategies, such as GTD, enhance a person's ability to work better, not harder.

## A wonderful dinner for all!

We want to thank our Locavores for an amazing dinner last week! The Locavores partner with the school to provide four dinners each school year. Everything served is grown on Lopez Island.
