

BUILDING COMPUTERS AT SCHOOL!

Check out the amazing things happening at our community's school!

Building Computers!

Our 5th grade students were building computers and coding them on Friday. This is a small grant that our teacher's received from Piper Co. The activity supports coding, teamwork, problem solving and more!

Pumpkin Carving!

The elementary students are excited to carve pumpkins this evening. The Pumpkin Carving is scheduled tonight from 6-7:30pm in the MPR.

Enriching Enrichment!

Each week elementary students enjoy our new typing and mime groups. Ms. Deirdre and Ms. Pam help to provide enriching opportunities for elementary students.

3rd Grade Dictionaries!

For over a decade the Lion's Club has been donating dictionaries to 3rd grade students around the state. Our students were excited to receive their new dictionary!

Important Dates & Events:
