

A SUCCESSFUL OPEN HOUSE!

Check out the amazing things happening at our community's school!

Open House was a Success!

There was a great turnout of families at Thursday's Open House! Our Lopez families continue to show their support of education and our community school! The partnership between the school and families is important to us all.

Please Welcome Wen!

The school is excited to have Wen Murphy working with us in the Health Room on Thursdays.

Special Glasses make it a Special Day in 1st Grade!

We continue to make each day a special day for kids. Their strengths and personalities bring positive learning opportunities to all as we continue to enrich their experience at Lopez!

Yes, they have TALENT!

The elementary students show off their talent during the ELL Family Night performance.

Important Dates & Events:

- Locavore Dinner on Thursday, Oct. 11th at 5pm
- Show your support and cheer our Lobo athletes on as they finish the season strong

We want to encourage all of our secondary families to use the south entrance near the athletic field to pick up and drop off secondary students. This helps to keep kids safe when buses are unloading and loading students during school hours. Thank you!
